Then make sure you use that sentence in each piece of sales and promotional material, and each time anybody asks you about your ebook.

Moreover promoting your books assiduously online, there are a number of other strategies that can make it easier to sell more books.

One is to provide something away totally free with your ebook, such as a precious bonus item. Or bundle a number of ebooks under one value, which lowers the value for every book in the event that they were offered separately.

An effective approach for figuring out a value is to send out a survey to your present customers. If these prospects have already bought an e-book from you, ask for his or her opinion in terms of price. Do that by making a sales web page for the brand new book, but do not embody a worth on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out prices by making a variety of duplicate sales pages with completely different costs on every page. Be sure your sales copy is strictly the identical on every

web page, and consists of your promoting-deal with sentence. Then work out for each web page the conversion ratio between guests to your site and gross sales of your book. This can let you know what your optimum worth is.

Ultimately, in the event you've written a guide that solves a drawback or presents a brand new method, your e-book will usher in each site visitors and profits.
