Do this by making a sales page for the new ebook, but do not include a value on that page. As an alternative, add numerous links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out prices by creating a variety of duplicate gross sales pages with different prices on each page. Make certain your sales copy is exactly the identical on each page,

and consists of your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your website and gross sales of your book. It will tell you what your optimum value is.

In the end, if you've written a e book that solves a problem or presents a new technique, your book will herald both site visitors and profits.
