An efficient technique for determining a value is to send out a survey to your present customers. If these prospects have already purchased an e-book from you, ask for their opinion in terms of price. Do this by making a gross sales web page for the brand new e-book, however don't embody a price on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to test out prices by creating a variety of duplicate sales pages with completely different costs on every page. Be sure your gross sales copy is precisely the similar on each web page, and consists of your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your website and gross sales of your book. This will tell you what your optimum value is.

In the end, for those who've written a guide that solves a drawback or presents a new technique, your book will usher in both visitors and profits. So make sure you write that promoting-deal with sentence that sums up what problem your e-book solves and what the advantages of your 1511 guide shall be to the purchasers who purchase it.
