An effective technique for figuring out a worth is to ship out a survey to your present customers. If these customers have already purchased an book from you, ask for his or her opinion by way of price. Do this by creating a sales web page for the brand new guide, however don't embody a value on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Be certain your gross sales copy is exactly the same on every page, and contains your promoting-deal with sentence. Then work out for each web page the conversion ratio between guests to your web site and gross sales of your book. This may tell you what your optimum worth is.

In the end, if you happen to've written a ebook that solves a downside or presents a brand new method, your e-book will usher in each traffic and profits.
