Then you'll want to use that sentence in each piece of sales and promotional material, and every time anybody asks you about your ebook.

Apart from selling your books assiduously online, there are a number of other strategies that can make it easier to promote more books.

An effective approach for determining a value is to ship out a survey to your present customers. If these prospects have already bought an e-book from you, ask for their opinion by way of price. Do this by creating a gross sales web page for the brand new e book, but do not embody a value on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out prices by making a variety of duplicate gross sales pages with totally different costs on every page. Ensure your sales copy is exactly the same on each web page,

and includes your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This will tell you what your optimum value is.

Finally, if you've written a guide that solves a downside or presents a new technique, your book will herald both traffic and profits. So remember to write that promoting-deal with sentence that sums up what problem your book solves and what the benefits of your 1620 e-book will probably be to the customers who purchase it.
