An efficient technique for determining a value is to ship out a survey to your current customers. If these prospects have already bought an e book from you, ask for his or her opinion by way of price. Do this by making a gross sales web page for the brand new guide, however do not include a value on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a variety of duplicate sales pages with completely different costs on each page. Be sure that your sales copy is strictly the same on each

web page, and contains your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and sales of your book. It will tell you what your optimum value is.

Ultimately, when you've written a guide that solves a downside or presents a brand new approach, your e-book will herald both site visitors and profits. So be sure you write that promoting-handle sentence that sums up what problem your book solves and what the benefits of your 1831 ebook might be to the customers who buy it. And then watch your market come to you!
