If these clients have already purchased an e book from you, ask for his or her opinion in terms of price. Do that by making a sales web page for the new book, but do not include a price on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out prices by creating a number of duplicate gross sales pages with different costs on each page. Be certain that your gross sales copy is strictly the similar on each

page, and includes your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and gross sales of your book. This will tell you what your optimum value is.
