The key that unlocks the gross sales potential of your book is to discover a single sentence that turns into your promoting handle. An effective approach for determining a value is to ship out a survey to your present customers. If these clients have already purchased an e book from you, ask for his or her opinion by way of price. Do that by making a sales page for the new e book, but do not include a price on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out prices by creating a number of duplicate gross sales pages with different prices on each page. Be certain your sales copy is strictly the same on every page, and

contains your selling-deal with sentence. Then work out for every web page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum price is.
