An efficient method for determining a price is to send out a survey to your current customers. If these prospects have already bought an ebook from you, ask for their opinion when it comes to price.

Do that by creating a sales web page for the brand new book, but don't embody a worth on that page. Instead, add numerous links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Be sure that your sales copy is exactly the identical on each web page, and contains your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your site and gross sales of your book. It will tell you what your optimum value is.

Ultimately, if you happen to've written a e-book that solves a downside or presents a brand new method, your ebook will usher in both traffic and profits.
