An efficient method for determining a worth is to send out a survey to your current customers. If these clients have already bought an e-book from you, ask for his or her opinion by way of price. Do that by creating a gross sales web page for the brand new guide, however do not embrace a value on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out prices by creating a variety of duplicate gross sales pages with completely different prices on each page. Be certain your gross sales copy is precisely the similar on every page, and includes your selling-handle sentence. Then work out for every web page the conversion ratio between visitors to your website and sales of your book. It will let you know what your optimum price is.

Ultimately, in the event you've written a guide that solves a downside or presents a brand new approach, your e-book will usher in both visitors and profits.
