page. As a substitute, add numerous links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Be certain that your sales copy is strictly the same on each web page, and contains your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your website and sales of your book. It will let you know what your optimum value is.

In the end, for those who've written a e-book that solves a problem or presents a new technique, your guide will bring in both site visitors and profits.
